

*Bringing together  
Boston Public School Teachers and  
Environmental Educators to  
Enhance Student Learning, Achievement  
and Environmental Stewardship*

**We are:**

All Boston-based organizations with programming or interest in environmental education are considered to be part of the Network. The Network and this event are guided by the BYEN steering committee which includes representatives from:

- Appalachian Mountain Club
- Beyond Benign
- Boston After School and Beyond
- Boston Schoolyard Initiative
- Boston Public School Science Dept
- Hale Reservation
- Mass Audubon's Boston Nature Center
- Thompson Island Outward Bound
- UMass Boston
- Urban Ecology Institute
- Zoo New England
- Wheelock College

**Our Mission:**

To create a pathway from kindergarten through high school of formal and informal hands-on environmental education experiences and employment opportunities enabling young adults to successfully connect with green careers and post-secondary education.

**Register to Showcase Your Work!**

There are a limited number of tables available to Boston environmental nonprofits that wish to showcase their work to teachers and partners. First come, first serve. All GOAL Partner orgs are guaranteed a table but still required to register.

**Deadline to secure a table: Oct. 22**

## Get Out and Learn!

### *Boston Environmental Education Showcase*

*Boston Public School teachers and Boston-based environmental education organizations are invited to celebrate the benefits of learning outdoors.*

**Friday, Oct. 29**

**5:00-7:30pm**

**60 State St. 26<sup>th</sup> Fl.**

**Downtown Boston**

The **Boston Youth Environmental Network**, in partnership with Boston Public Schools, will host its 3<sup>rd</sup> annual gathering of teachers and environmental education professionals. The event will highlight partnerships between the BPS Science Department and Boston-based environmental programs to promote learning, achievement and environmental stewardship.

- Engage with Boston Public School teachers
- Showcase your organization's work, and see other examples of model environmental learning
- Be part of the dialogue around the future of EE in Boston
- Enjoy free hors d'oeuvres, open bar, desserts, and breathtaking views of Boston and the Harbor

**Special Guest Speakers**

David Cash, Executive Office of Energy and Environmental Affairs  
Luis Arroyo, Charles Taylor Elementary School, Mattapan

**RSVP to Attend (Individuals) and Exhibit (Organizations):**
