

COMMUNITY MEETING

WHAT: Impacts of Sea Level Rise on Dorchester

WHEN / TIME: Monday, 29 November from 5:30 – 7:00 p.m.

WHERE: Harbor Point Apartment Complex.

At the **Harbor Point Club House**

1 North Point Dr. Boston, MA 02125 (adjacent to the tennis courts)

Come to The Boston Harbor Association's "Boston Harbor Sea Level Rise Community Meeting" on Monday, 29 November, 5:30- 7:00 p.m. to hear experts discuss the impacts of sea level rise on Boston and nearby communities. See specially-prepared maps showing the potential impacts on Dorchester and Quincy, which were developed by Dr. Ellen Douglas, UMass Boston, and Dr. Paul Kirshen, Battelle Institute. Ask these experts questions and share your ideas with neighbors and others.

Sandwiches and refreshments will be provided. Free, reservations requested (617-482-1722; www.tbha.org). Harbor Point Club House is an eight to ten minute walk from the JFK/UMass stop on the MBTA Red Line.

Brought to you by your HARBOR POINT COMMUNITY TASK FORCE Inc.
